JFS School

Certificate of Religious Practice

for students in Year 6
applying for entry into Year 7 in September 2014 (11+ Transfer)

Notes on Completion of this Certificate of Religious Practice (CRP):

1. This CRP must be sent to JFS (together with a completed Supplementary Information Form, available from the School or our website) **by 25 October 2013**. If this CRP is not received in time, it may not be possible to treat the child as a priority applicant.
2. To be considered a priority applicant, the child will be required to achieve **three points**. Priority applicants do not have an automatic right to a place at JFS but are ranked higher than other applicants. Please see our Admission Policy for full details.
3. In order to obtain points in Section 1, the parent/guardian is advised to pre-register their child at the synagogue(s) which they propose to attend. It is recommended that this is undertaken by email wherever possible.
4. If three points have been achieved in Section 1, there is no need to complete Sections 2 and 3. However, you must complete Section 4 and sign the declaration overleaf. There is no advantage to achieving more than three points.
5. In order to obtain points in Sections 2 and 3, the parent/guardian must complete this CRP and take or send it to the person(s) referred to in those sections so that it can be signed as appropriate.
6. The relevant person(s) may decline to sign this CRP where the parent/guardian or the child is not personally known to them and/or cannot vouch for the parent/guardian or the child. It is the responsibility of the parent/guardian to provide the necessary original documentation and verification as required. Photocopies of the CRP and accompanying documentation will not be accepted by the School.
7. **Please ensure that Section 4 is completed and signed by the parent/guardian.**
8. Please note that criteria for entry in September 2015 may change from those below.

In the event that it is discovered that a parent/guardian has submitted information overleaf which is later found to be incorrect, this may result in the refusal of the School to offer a place to the child. If a place has already been offered on the basis of incorrect information, the School may withdraw the offer.

Note that, for the avoidance of doubt, this CRP does not confirm that the child for whom this application is made is Jewish in accordance with orthodox Jewish law.

ELIGIBLE DATES:

Please Note - some synagogues may only verify attendances on **either Friday night or Shabbat morning**. Please check with your individual synagogue to ensure you comply with their procedure. Children will not receive points for simply arriving on the premises. Synagogues are empowered and are required to decline to record attendance on that basis.
