

## Homework Timetable – Year 7 AB

Please check your timetable carefully to see what class you are in for each subject. The following table shows how many homeworks you should have per fortnight for each subject. Homework will be set on Show My Homework – you will be able to access this from the school website or with your individual login. Although many of your homeworks will appear on the same row, this is not necessarily the case, so please check carefully. There may also be more than one homework in a column, depending on your classes.
