ENQUIRIES ABOUT RESULTS

Information for candidates

The following information explains what may happen following an Enquiry About the Result of an examination.

An enquiry about the result of an examination made after the issue of a subject grade MAY lead to that grade being lowered. The grade may also be confirmed or raised.

If your examination centre makes any enquiry about the result of one of your examinations after your subject grade has been issued, there are four possible outcomes:

- **Your original unit mark is confirmed as correct, and there is not a change to your grade**
- **Your original unit mark is raised, but your final grade may not be higher than the original grade you received**
- **Your original unit mark is raised, so your final grade may be higher than the original grade you received**
- **Your original mark is lowered, so your final grade may be lower than the original grade you received**

In order to proceed with the enquiry or appeal, you must sign the form below. This tells the Head of your Centre that you have understood what the outcome might be, and that you give your consent to the enquiry being made.
