

JFS Extended Services (Autumn 2017)

After School Clubs

The following information is about the after school activities including the Enhanced Jewish Studies Programme (EJS) available next term at JFS. The programme is available between 4.00 pm and 5.30 pm on Monday and Wednesday afternoons, offering a variety of activities for students. The dates for this term are as follows:

Autumn Term –Monday 23 October to Wednesday 13 December 2017

Information

If you would like your child to participate, there is an online registration available via ParentPay. There is a charge per term for each day attended. For example, for all 6 Monday sessions in the term, there will be a charge of £50.00. This payment is for the 8 week programme and students are encouraged to choose an activity for session 1 and session 2 to participate in the full Extended Services programme. Most of the students choose 2 activities. On top of the £50 charge please note that there is an extra charge of £10 for Photography GCSE, £5 for general Photography and £5 for Cookery. Please also note that Climbing Photography (GCSE) and Photography are all capped at 12 students and Cookery is capped at 10.

The activities are available for all year groups, however, for most of the activities the majority of students are from Key Stage 3 (Years 7-9). Students can be collected by parents or make their own usual way home. To support the scheme the 688 and 683 buses will depart JFS at 5.30 pm. Caterlink will provide food for purchase, via the cashless catering system, which will be available at the end of the school day.

You will find a timetable of the different activities below. If any student (or parent) would like any further information, please refer to the school website, Extended Services page.

Here are a selection of quotes from students who have taken part in the programme:

Computers, Screen-printing and Jewish Studies. I come because it's fun and I go home on the bus with my friends. "Samuel (Year 8) - "I go to Badminton and Table Tennis as it is a fun way to relax and play with your friends. I am a member of a club outside of school and this gives me extra practise."

Noah (Year 7) - "I have been to Photography, Computing, Drama and Football. It has been brilliant editing photographs to put your own perspective on them. I go home on the late bus with my brother and we usually buy a snack from the dining hall after school."

Please see the following pages for a full description of the activities which will be available in the Autumn Term:

JFS Extended Services (Autumn 2017)

Monday

All activities on Monday run from 4.00pm to 4.40 pm (Session 1) and 4.45 pm to 5.25 pm (Session 2)

CLIMBING

Fun and safe climbing activities – come and try! Students will learn how to climb on a variety of climbing routes and take part in a variety of fun climbing activities. Students will coach each other and develop their confidence, strength and fitness. The climbing wall has a choice of 8 routes which increase in difficulty. When ready students may choose to climb a more difficult route or be more creative in the route in which they choose. Students will be provided with all the kit needed and instructed in the safe use of the facility by our qualified teachers.

COOKERY CLUB

The first ever JFS Cookery Club is starting this term .It is jam packed with creative cakes and chocolate bakes. Please note there will be an extra £5 charge for ingredients.

Spaces are limited (10) so do not be late because if you are, you will miss out on a slice of cake !!!!

JEWISH STUDIES

J Plus – A dynamic learning experience offering students the opportunity to take part in a range of activities that will enhance their Jewish identity and Jewish journey. Further details to follow in September.

FUTSAL

Futsal is an indoor, small-sided version of Football. Futsal develops the overall fundamentals of football and will improve players' skill, touch and technique. The first part of the session will be skills based. The second will be match-play.

KRAV MAGA

Krav Maga will teach you the skills of self-defence. It will help develop your confidence and improve your fitness. Krav Maga consists of a wide combination of combat techniques used for self-defence. The course is run by representatives of the Community Security Trust (CST).

MULTI SPORTS

Cricket/Rounders /Tennis.

PHOTOGRAPHY

Students will experience a mixture of digital and traditional film photography. They will have the opportunity to use SLR digital and film cameras. They will learn how 35mm film negatives are processed and have an opportunity to print images from a negative and develop these with various photographic techniques. They will also learn to use computer software to edit the digital images they have taken and experiment with effects. Each term we aim to teach new techniques and approaches.

JFS Extended Services (Autumn 2017)

Wednesday

All activities on Monday run from 4.00pm to 4.40 pm (Session 1) and 4.45 pm to 5.25 pm (Session 2)

ART

Students of all abilities are welcome to attend Art Club. They will enjoy working with a range of media and techniques including printing, textiles and model making. They will improve their practical skills and be given the opportunity to work in approaches that varies from that which they may experience in lessons.

CLIMBING

Fun and safe climbing activities – come and try! Students will learn how to climb on a variety of climbing routes and take part in a variety of fun climbing activities. Students will coach each other and develop their confidence, strength and fitness. The climbing wall has a choice of 8 routes which increase in difficulty. When ready students may choose to climb a more difficult route or be more creative in the route in which they choose. Students will be provided with all the kit needed and instructed in the safe use of the facility by our qualified teachers.

DRAMA

Students will be enjoying a range of drama activities, from improvisation to role-play and physical theatre, helping them improve their confidence and communication skills. Students of all abilities are more than welcome and the skills they develop will provide the perfect platform for further study in the area of acting and drama.

JEWISH STUDIES

J Plus – A dynamic learning experience offering students the opportunity to take part in a range of activities that will enhance their Jewish identity and Jewish journey. Further details to follow in September.

BADMINTON/TABLE TENNIS

Students will have the opportunity to develop their Badminton/Table Tennis skills through fun games and practices. Students will have ample opportunity to apply these skills within competitive matches and tournaments or collaboratively with their friends through various games.

PHOTOGRAPHY (GCSE)

Students will experience a mixture of digital and traditional film photography. They will have the opportunity to use SLR digital and film cameras. They will learn how 35mm film negatives are processed and have an opportunity to print images from a negative and develop these with various photographic techniques. They will also learn to use computer software to edit the digital images they have taken and experiment with effects. Each term we aim to teach new techniques and approaches.

TRAMPOLINING

Students will be able to practice their trampolining skills, ranging from beginner to advanced level. The club will include familiarity and safety training with trampolines and coaching equipment, basic jumping skills, basic landings and progressions on to more advanced skills, only when ready. Students will also have the opportunity to create and perform their own routines.
