

JFS SCHOOL UNIFORM

Full details of JFS School Uniform are given below.

Interpretations of our uniform, even minor ones, will not be acceptable so **please** don't waste your money. Students not in proper uniform must have a note from home, explaining the temporary problem. This note will, if judged reasonable, be counter-signed by an appropriate member of staff. If not, then incorrect uniform can lead to students not being allowed in the classroom.

All uniform must be labelled. Name tapes can be used or, alternatively, garments can be labelled with marking ink. It is helpful to mark uniform in more than one place; a good additional place on a blazer, for example, is the inside lining of the sleeve, just below the elbow.
