

Extended Services – Registration Policy

The popularity of the scheme would indicate that some activities may be fully subscribed. We will attempt to give the students their first choices, but will allocate on a first come, first served basis. There will be a maximum number of students in each activity and also a minimum number of students required for each activity to be viable. If an activity selected does not end up taking place, you will be sent an email asking you to select an alternative activity or offering a refund.

Extended Services – Refund Policy

Extended Services clubs are only viable if the minimum number of students register and pay for each individual club. Clubs therefore run on the proviso that a confirmed amount of students have registered and paid. Prior to signing up, please note that once Extended Services registration closes or clubs have begun we are not in a position to offer refunds to students who drop out or who are unable to attend due to other school events that may take precedence, including but not limited to, behavioural sanctions or sporting fixtures, or other external events or commitments. A refund will be given if a club is no longer available or full.
