## SUMMER TERM 2026

### REMINDERS

- **Year 10 and Year 12 students** - Remember to log your work experience placements on Unifrog. If you need help with this see Mrs Levick in the study room. You will need to use your school email to log on. if you have forgotten your password, use the reset link so you can access your account.
- If you are **not able** to attend any of the online events mentioned in the newsletter, you should **still register** as you will be sent the recording.
- If you are considering making an application to **Oxford or Cambridge**, there is an applicant webinar series, which will be really useful in helping you prepare. Click [here](#) for information for Cambridge, and [here](#) for Oxford.

### WORK EXPERIENCE AND WORK SHADOWING UPDATE

We have had an overwhelming response to work experience and work shadowing across all year groups, and students have sourced some amazing placements and work shadowing opportunities.

Thank you to parents and carers for your support in making this happen. It is a wonderful opportunity for the students to be able to experience the world of work from a young age and start to thinking about their GCSE and A-Level/BTEC subject choices and their long term future beyond JFS.

Students in **Year 10 and Year 12** should add their placements to Unifrog, so they can be signed off. For students in Year 7, **8 and 9** please can all parents complete my form [here](#) and select the option which best suits. Students are able to mix work shadowing with the Tisha B'Av events which are happening as part of the Community Days. There will be no Year 7, 8 or 9 students in school on **Thursday 23 and Friday 24 July**.

#### [Degree Apprenticeships - Your questions answered](#)

As Year 12 students embark on university open days over the next few weeks, it is important that they start to consider their post 18 options carefully. Read the guide [here](#)
